

## **The Tri Valley SC Membership Policies**

The Tri Valley Soccer Club is committed to provide a positive soccer experience to all players in training, games and all team Club / Team related activities! Our goal is to be inclusive to the entire Tri Valley community and to provide every child and family an unparalleled experience in the game of soccer.

In order to achieve the stated goals of the Club, we insist that the policies outlined below are adhered to at all times by our membership (players and families).

Our Club is recognized as a leader in player development and providing an outstanding experience for all participants. By recognizing and supporting these policies, a positive experience will be insured for all.

Thank you for your commitment to these expectations!

## **2018 TVSC SC Multi-Sport Athlete Policy**

Tri Valley Soccer Club (TVSC) is designed for players who have a passion for soccer and who are interested in developing and achieving as much as they can in the game. Due to the scope and depth of our programs, participation with Tri Valley Soccer Club (TVSC) does require a greater level of commitment and dedication from its membership

As a competitive soccer player, it is important that each member attend every possible team training in order to progress as an individual and improve the team. TVSC understands, however, that unavoidable conflicts can arise when members compete in multiple sports throughout the year

While the Club provides an avenue for soccer players and teams to play year round, it also believes athletes benefit from participation in other activities as an important part of their overall development, as both soccer players and citizens. TVSC does not ask athletes involved in multiple sports to choose one sport over another during the spring preseason training, however, players are expected to make soccer a priority once the official soccer season starts. Players and parents are asked to read, respect and adhere to Club policies contained in the Club's Code of Conduct.

During the spring season, multi-sport players are asked to attend at least one practice per week and all scheduled games when possible. It is up to the player to notify the coach prior to each team training and/or games if a conflict should arise.

## **2018 Tri Valley SC Guest Player Policy**

Tri Valley SC does not allow its members to play as guest players for any other club at any time. If a player plays or trains with another team outside the Tri Valley Soccer Club, while registered with TVSC, without the express written approval of the Board of Directors, that player is subject to immediate expulsion from the Club and loss of all fees paid and contracted to the Tri Valley Soccer Club.

## **2018 Tri Valley SC Graphic Standards**

The visual identity of the Tri Valley Soccer Club is one of the organization's most valuable possessions. The strength of our marketing communications is dependent upon a strong, unified graphic identity.

As Tri Valley SC continues to grow and develop as an elite educational program, the growth must be met with careful cultivation of the organization's image. By implementing a consistent and unified identity, the Club projects a more professional image.

The intention of this policy is not to have all visual communications be identical, but to share the visual elements that identify them as coming from the Tri Valley Soccer Club. By defining the framework by which visual communications are created, we have limited the scope of our logo usage, but have left ample room for creativity.

The graphic standards policy outlined below explains the proper usage of the Tri Valley Soccer Club logo. These standards were developed to familiarize our teams' management with the club's official graphic symbols, and to assist you in implementing these symbols easily and accurately.

The usage of the Club's visual marks and commercial marks includes, but are not limited to:

- Publications and collateral material (posters, flyers, flags, postcards)
- Stationary (brochures, newsletters, invitations)
- Advertisements (printed, electronic or screened)
- Signage (printed or electronic)
- Web pages and other forms of electronic media (photographs)

## **The Tri Valley Soccer Club Graphic Standards:**

### **The Club Commercial Marks:**

The club has three primary commercial marks. They are the circular logo, the crest and the triangle logo.

### **Application Guidelines:**

Both commercial marks can be utilized upon written request by a Club manager. All commercial or private applications must have a formal written approval from a Club officer before any production can be initiated. The Club will provide the electronic artwork to the requesting party at which time usage of the mark is not approved until a final draft of the production is formally approved by a Club officer. Any approved usage of the Club's marks is on a one time basis and any additional usage for additional productions must receive formal written approval from a Club officer.

<b>Club Colors:</b>	Pantone Navy /	PMS 295 PC
	Pantone Yellow /	PMS 123 PC
	Pantone Carolina /	PMS 284 PC

This graphics standard policy must be used and upheld by all of the management team of the Club. The easiest way to ensure compliance with this policy is to work with the Board of Directors in developing your promotional and communications material. The above outlined guidelines are flexible enough to allow you to design a product unique to your team, but still be an identifiable member of the Tri Valley Soccer Club community.
